

Online-Omnibus

Our weekly multi-topic survey

Fast and inexpensive

With the weekly multi-topic survey in the intervista online panel, you receive reliable answers to your current questions within a short time and at a reasonable price.

Our Omnibus is ideal for

- > Limited surveys
- > Opinion polls on current topics
- > Awareness measurement
- > Surveys on product market potential
- > Concept reviews
- > Pre-tests and post-tests

Your benefits at a glance

- > Short field duration, quick project processing and rapid data delivery
- > High data quality
- > Excellent price-performance ratio
- > Integration of all multimedial formats such as TV and radio spots, videos, posters is possible
- > Weekly repeats possible

The high quality of the intervista online panel – one of the largest in Switzerland – is the basis for meaningful results. The sample surveyed for you is representative of the population quota with regard to the criteria age, gender and language region.

Timetable

Powerful, fast and cost-effective
